The following family trees each show the reported children, parents, grandparents and great-grandparents of a family group. In order to reduce redundancy, any family group which is wholly included within another family tree may not be reported separately.

Above each of the great-grandparent boxes (top row), a continuation family tree reference number in angle brackets is shown if the great-grandparent is recorded as a child in the continuation tree. A continuation reference number is also shown to the left of a grandparent or parent box if that individual has siblings reported in the continuation tree; and beneath a child box (bottom row) if that individual has children reported in the continuation tree.

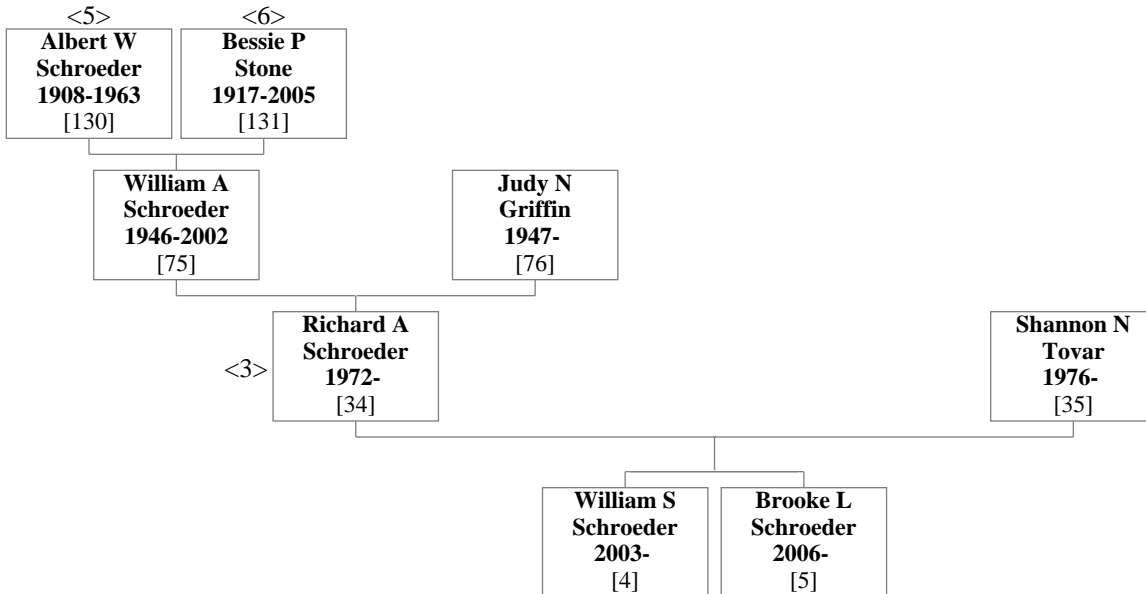

In cases of multiple marriages, a continuation reference number preceded by "=" is shown to the right of a parent box. This number references the previous and/or next tree in which that individual is shown with another partner.

57. William T Phillips Obituary

SPOKANE SPOKESMAN-REVIEW, July 22, 1937, p. 13

His home was at W828 Glass. He was a member of Oriental Lodge No. 74 F & A. M and Scottish Rite bodies. He was a consulting engineer. Husband of Gertrude, at the home, father of William Richard Phillips of Spokane. Funeral Thurs., July 22, at 7:30 p.m. from the Alwin Chapel at the Hazen & Jaeger Funeral Home. Cremation will follow.

William Thadeus Phillips was born in Sandusky, Sanilac Co., Michigan on June 22, 1865 to Celia Mudge and Laddie J. Phillips per his marriage certificate. Gertrude Phillips, his widow, stated that "both she and her late husband had known Butch Cassidy, but that William T. Phillips was not the famous outlaw from Utah. Instead, she wrote, Phillips had been born and raised in an eastern state until he reached the age of 14 years, at which time (owing to dime novel influence) he ran away and headed for the Black Hills [along the South Dakota/Wyoming state line]. She wrote that Phillips had met Butch Cassidy at the time of the Johnson County War [1892 in Johnson County, Wyoming where the Hole-in-the-Wall hang-out for the robbers is located]. He thought he knew Cassidy very, very well" (Meadows, pages 115 & 123)

"Bob Phillips of Sandusky, Michigan said that his great grandfather, William J. Phillips reared (and may even have sired the imposter. He said his great grandparents lived across the street from Celia Mudge's family. Upon noticing that thirteen year old Celia was unable to provide proper care for her illegitimate son, Mr. and Mrs. Phillips - who had 15 children of their own - volunteered to take the baby in and give him a name (as well as the nickname "Butch") The boy lived with his adoptive family until he was fourteen, then went north to work in logging camps. After throwing an axe at a man during a fight, "Butch" Phillips lit out for the West, and his family never saw him again." (Meadows, pages 126 & 127)
